

# GOVIND PRASAD

Started my career from **Thomson Press Delhi**. Worked for 5 years to learn all aspects of Scanning, Systems works, retouching and printing.

Joined a startup prepress company in Bangalore as process in charge, in a short span of time it reached the heights as best pre-press company. Instrumental in design layout of the studio, scanner and proofing.

The big break came when I joined the leading Pre-press house in South of India, Print Systems & Products. Had worked in various capacities during my tenure from **Application Engineer, Prepress Manager, to General Manager** - Chennai and Bangalore. Had opportunities to get trained in Singapore on Scanner and Digital.

**Installed about 23 scanners across India and 15 processors. And calibrated a dozen scanners across India to achieve the desired results.**

The company grew from mere 100 people to 250. Went Public in the year 2004 and the name changed to Universal Print Systems Ltd.

Started Flexo printing unit. It achieved great success winning many laurels across globe.

In 2008 started working for an MNC company for pre media jobs. In 2015 the MNC company **Sun Branding Solutions India Ltd** commenced their Indian operations.

Working as **Operations Director** with total staff strength of 160 members across Chennai and Bengaluru. Sun Branding Solutions Ltd, has offices in UK, USA, and India.
