

Just YESGO It!

The logo features the YESGO logo on the left, followed by three large 'P's in blue, pink, and yellow. Below each 'P' is the word 'erfect' in white. Underneath the 'P's are the words 'PREPRESS', 'PRINT', and 'PARTNERS'. To the right is a purple hand making an 'OK' gesture. A blue banner at the bottom contains the text 'Bangalore, December 2nd - 7th, 2019'.

About YesGo

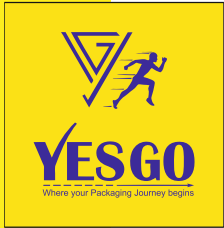

YesGo www.yesgoindia.com is a pioneer initiative in Asia for complete Prepress and Packaging Software Training along with Esko Software with 100 per cent placement assistance and we are the only organization which provides Esko Software training apart from Esko itself.

Founded in June 2018 in Chennai by printing industry veteran Mr. Nizam Appas - YesGo, in a short span of time, gained accreditations and laurels from the industry stalwarts for

providing successful sessions of Class Room, Onsite as well as Online Training Globally in printing and packaging industry. We provide Corporate as well as Individual Training. Global Industry Visits, Events Visits and special classes on varied printing and packaging topics by global trainers and experts are part of our training curriculum. We are focussed on developing manpower skilled in latest printing, packaging and prepress technologies. Our curriculum covers entire latest packaging and prepress softwares, tools and techniques to provide highly advanced learning zone to the students. We do keep organizing seminars and workshops as well as special career guidance programmes to provide our students exposure to latest industry trends and insights for better future in the industry.
